

Rodgers Ranch Heritage Center

Membership Drive

2017

Join us as we continue to preserve the past to educate and sustain the present and the future!

Our farmhouse was built 150 years ago, home to many families, and rescued from demolition by community members. Today it serves the community with educational classes and events, teaching sustainable values and historical information. Your participation as a member and volunteer will enable us to continue our efforts and complete our restoration which includes rebuilding the barn. Join today and receive our lovely canvas tote bag!

Join for \$100 or more and receive 2 drink tickets to use at our 150 yr. Celebration Fundraiser in November.

2016 – Our thanks to the Pleasant Hill Recreation & Park District for providing new signage and connecting a gas line to the house, enabling us to install a gas insert in the fireplace. We appreciate the City of Pleasant Hill's annual contribution of \$2,500 and the \$5,000 donation from Orchard Supply Hardware.

2017 EVENTS!

- Pleasant Hill Rec & Park summer nature camps at the ranch. Check out the summer **Spotlight** for dates.
- Sustainable Living Workshops are held monthly on the third Thursday from 10am – noon. Go to www.sustainablecoco.org for information on schedules and registration.
